

# Bascom Palmer

EYE INSTITUTE

## International Concierge Service

Bascom Palmer Eye Institute, one of the world's premier providers of ophthalmic care, offers exceptional service to international patients seeking treatment for all types of eye diseases and disorders.

Located in Miami, Florida, Bascom Palmer Eye Institute – the Department of Ophthalmology for the University of Miami School of Medicine – was founded as a regional eye center for the Southeastern United States, the Caribbean, and Central and South America.

Today, Bascom Palmer is consistently ranked as one of the top ophthalmic hospitals in the United States.

### Personalized treatment

*Our International Concierge will gladly coordinate all medical care and patient services.*

We will schedule medical appointments and procedures, review physician referral requests, and provide medical interpreters. Additionally, our Concierge will assist with travel arrangements, hotel accommodations, translation services, and provide up-to-date information about Miami's exciting dining, shopping, sightseeing and cultural activities.

Bascom Palmer offers excellent care in all areas of ophthalmic sub-specialties, diagnostic procedures and ancillary care, including:

- Comprehensive Ophthalmology
- Cataracts, Corneal & External Diseases
- Glaucoma
- Intraocular Tumors
- LASIK, Laser Vision Correction Refractive Surgery
- Macular Degeneration
- Neuro-Ophthalmology
- Ocular Immunology
- Ocular Oncology
- Ophthalmic Plastic, Lacrimal and Orbital Diseases
- Pediatric Ophthalmology and Strabismus
- Retinal and Macular Diseases and Disorders

Patient care is our primary goal
